“Where Service Is An Unforgettable Memory”

*The LORD is my shepherd; I shall not want.
He maketh me to lie down in green pastures;
He leadeth me beside the still waters.*

*He restoreth my soul;
He leadeth me in the paths of righteousness for His name's sake.*

*Yea, though I walk through the valley of the shadow of death,
I will fear no evil for Thou art with me; Thy rod and Thy staff they comfort me.
Thou preparest a table before me in the presence of mine enemies;
Thou anointest my head with oil;
my cup runneth over.*

*Surely goodness and mercy shall follow me all the days of my life,
And I will dwell in the house of the LORD forever.*

My daughter, my child where did you go girl? Why did you leave me so soon man. February 26, 2023 has been the worst day of my life, I just don't understand this here life at all you were supposed to be here living your best life like you told me you wanted to do. I wish you would have stayed home that night. This was not how this was supposed to be my best friend is gone. I'm so confused, lost and empty at the same time. As I tour on this emotional roller coaster .God why, why my heart have to feel like this I thought love was not supposed to hurt. This is the worst hurt I have ever felt in my life God had another plan for you he gave you the best one so far a scholarship straight to heaven as long as I live I'll make sure your name will not go in vain I'm going to do everything in my power to keep your name alive I promise you are now my personal angel watching over us thank you. Bre as you can see I'm still staying strong for the fam bam, but mostly 4 your twin. She's hurting so bad Breski. We never expected to be living days, weeks, or even on a more serious note, lyfe without you. Even tho you're with us in spirit, it's killing me that you have left us in the physical! I'm trying to keep everybody solid and strong for the most part. It's just Chyna and your momma that's hurting me the most. When I just see the pain and sorrow in their eyes it definitely breaks me down every time I see them emotional like that. Y'all were inseparable, then this unexpected transition has occurred making you depart away from our presence is leaving every last one of us heartbroken. One thing fosh, I kno during this part of our journeys it going to be extremely difficult. I know this as well too, as we maneuver through our life's journey you'll sho up and show out, just like the queen you were put on this earth to be. I have one promise to you Bre, "I promise I'll do my best to keep your momma, your sister and the rest of the family in tact!" While im doing that, I just want you to shine down on our family and friends removing all blacc clouds that maybe following us. "You know Daddy loves you baby!" I love you pass the moon, the stars and all the way through those heaven gates! I know I'll see u again, but when I do see you just make sho you be the first angel I see when our father open up those gates for me!
