Gone, But NOT FORGOTTEN

Don't think of me as gone away
My journey's just begun,
Life holds so many facets
This earth is only one.
Just think of me as resting
From the sorrows and the tears
In a place of warmth and comfort
Where there are no days and years.
Think how I must be wishing
That we could know today
How nothing but our sadness
Can really pass away.
And think of me as living
In the hearts of those I touched
For nothing loved is ever lost
And I was loved so much.
